Commercial and Money Matters.

Tuesday, P. M.
There was a small business done at the Board to-day, generally at a slight improvement in rates. Paterson improved \$; Stonington and Mohawk, } per cent. In State Stocks the sales were light but the market is firm. State Sevens improved & per cent; Kentucky Sixes, &; Obio Sixes declined 1.

The market for Foreign Bills is firm and the supply not large. The business is limited. Sterling we quote 51 a 6; Francs, 5 45 a 5 484

There is not much doing in Inland Bills to-day. Alabama is worth about 10 discount and in fair demand. New Orleans + prem. to par.

Treasury Notes are rather scarce at par and 1 prem. There appears to be trouble about the Union Bank of Dover, N. J. although it is still redeemed in this City. In such cases it is best to avoid keeping the notes on hand, There appears to be nothing certain yet in relation to the Lewis Co. Bank, but persons who pretend to know, state positively that it will soon resume and that the only obstacle now is one of the Albany banks which holds a considerable amount of the notes and which is endeavoring to make better terms than are offered.

Private letters from Tuscaloosa state that the opinion prevalls there that the Branch at Mobile and at Decatur will be wound up.

A bill has passed the lower House of Georgia removing

the Bank of St. Marys to Columbus.

Tha bill to wind up the Central Bank of Georgia, to separate the Treasury from it, and to prohibit further issue of its notes, has passed both Houses of the Legislature of

The following are the rates of discount quoted in Thompson's Bank Note Reporter. The D. carries the idea that the quotations cannot be relied for any length of time.

Uncurrent Money. Broken Bank Money. Eastern, bankable in Boston. 1 Commercial, Buffalo.....27 Jersey..... Watervliet The Books for transfer of the Bank U. S. stock have been

closed and will not again be opened in this city. John Williams, Jr. Esq. of New Bedford, has been appointed Bank Comissioner, vice John Shove, resigned. The Bank of America has this morning declared a dividend of three per cent for the past six months, payable on

the 5th of January. The Tradesmen's Bank a semi-annual dividend of five per cent payable on the 5th of January.

At Mobile, bill drawers evinced more anxiety to negotiate, and purchasers had decidedly the advantage. 60 day bills on New-York, 9; short sight and sight on New-York, 104 a 11; sight checks on New-Orleans, 2; American gold 13, and silver 114 a 12 per cent. premium.

At New Orleans there has been a very active inquiry fo Bills, and the rates on all points have again advanced, and preserve an upward tendency. Sterling, 5 a 54 per cent premium; Francs, 5 47½ a 5 50. New-York, 14 per cent discount; sight checks, par a 1 per cent discount

Markets-Carefully reported for The Tribune. TUESDAY, Dec. 26.

ASHES-We can hear of no sales of either description Buyers are waiting until after 1st January. The Commercial Advertiser reports sales of 25 bbls Pots at 5 75, but we could not learn that such sale had been made. The quotations are nominally 5 75 a 6 00 for Pots, and 8 00 for Pearls. At Boston a sale of 50 bbls Pots was made at 5 75, and 6 00 is now demanded. A lot of 50 bbls Pearls sold at 7 50. COTTON-The market is rather quiet to-day; operators

think that holders are rather too stiff in their demands and are inclined to bold off in order to induce them to come to easier terms. We hear of but some 500 bales sold mostly to shippers at previous prices. We quote fair Upland 7 a 71; fair New Orleans and Alabama, 74 a 72, and firm. The business of the week at New Orleans ending 17th, was 30,700 bales. The market was firm and a fair business doing. The quotations were ordinary 5 a 54: Middling 54 a 54; mid. dling fair, 61 a61; fair 71 a 71; good fair 8 a 21. The re ceipts of three days were 17,130 bales. Stock 125,629 bales. The Price Current remarks that this season there is a very strict system of classification adopted by the brokers and that consequently there is occasionally much difference of

FLOUR AND MEAL-There appears to be nearly the same duliness in the market which has prevailed for some weeks past. It is ascribed in some degree to the fact that it is holyday week but we doubt if there will be any improvement after the mouth has closed. We quote Genesee, 487, nominal with occasional sales at 6d decline. Ohio and Michigan 4 621 a 4 75. Nothing doing in New Orleans. Southern descriptions are very dull and we quote with small sales, Georgetown, Richmond County, Baltimore City, Petersburg, Alexandria, &c 4 50; Richmond City, 5 624; Brandywine, 4 75 a 4 87]. At New Orleans the stock of Flour was reduced to a few hundred bbls and the market closed on the 17th very firm at 4 75 a 4 872-some holders refusing to sell at that rate. At Cincinnati the price of Flour was

2 70; at Chicago, 2 25 a 2 27. GRAIN-A part of the Wheat reported yesterday as sold is again in the market. About 1000 bushels Illinois Wheat were sold at 90, for Brandywine. The parcel Lima Wheat is still unsold. There appears to be some doubt if it can be exported to British Provinces from this country. There is not much doing in Corn and the supply is light. We only notice sales 1600 bushels new Northern at 51, and 500 do new Delaware at 50. A sale of 1500 bushels Rye in the slip, was made at 56. Oats are without change; River, 30; Canal, 30 a 32. Last sale of Southern, 22]. Some Barley is offering but no sales are made. Corn at New Orleans was worth 40 a 43. No Wheat in market and large quantities would and buyers at fair prices. At Chicago Wheat was scarce and worth 42 a 44.

SEEDS-There is not much inquiry for any description and we only notice sales 40 tes. Rough Fiaxseed at 9 00, and 90 tcs new Southern Clover at 7. On Saturday 200 tcs. Clean Fiax were taken on private terms.

HAY-None of consequence affoat. Out of store it is worth 58 a 621. A sale of 200 to 300 bundles of Jersey was made at 60. Loose is very dull. At New Orleans bundle was plenty and dull at 55

d21 1m* Water of Dr. Gouraud, for removing freckles, tan and pimples from the fair skin of ladies. We have seen a young Miss from the country, whose skin by exposure had become brown and rough, suddenly transformed into a delicate beauty by the use of the Cosmetic. And credible persons have told us of changes more wonderful than this, wrought by the magical influences of Gouraud's Beauty Water.—When the skin is thoroughly renovated, however, and every portion of the face becomes purest white, it is necessary for the perfection of beauty to give the cheeks a slight carnation tinge; and this is accomplished in a moment by the use of Gouraud's Vegetable Rouge. This is prepared from favorite flowers and simples, is perfectly harmless in the use, and preferred by the leading belles in our principal cities. Boston Traveler.
